DUBLANY (THE UKRAINE)

In 2003 the Puławy Town Council decided to establish cooperation with the Ukrainian town Dublany. Taking part in the Euroregion BUG Puławy received a refund for cooperation with Dublany.

In the project mentioned above three cooperation domains were defined, namely: environment protection, culture and local democracy. The following actions are undertaken in relation to the programme: members of town councils exchange, ecological education for the representants of Dubalny as well as a mutual cultural-tourist programme.
