

Visit of a delegation from Nieuwegein

Dodano: 2016.02.03

From 18th to 19th of February Puławy were visited by a Dutch delegation from Nieuwegein. The aim of the visit was comparison of a situation of Roma society in Puławy and Nieuwegein. During those two days there were meetings in the Town Hall of Puławy and Primary School No. 4 during which problems of the Roma were discussed. During the visit the Dutch delegation with representatives of the Municipal Welfare Centre visited several Roma families. The main subjects that were discussed during the meetings were education, housing conditions and issues concerning social care. Representatives of both cities exchanged experiences and ideas as far as projects realised in this scope by Puławy and Nieuwegein are concerned.
